Dear Sir or Madam:

This filing is being made on behalf of Qwest Corporation (QC), Entity Code T-01051B.

Enclosed for filing with the Commission is an original plus thirteen (13) copies of revisions to Qwest's Exchange and Network Services Price Cap Tariff.

As the market competition continues to grow, customers of all sizes and location are receiving competitive proposals. This revision proposes to change the Individual Case Basis language to allow Qwest to make competitive offers to all customers.

Qwest respectfully requests that these proposed changes become effective June 25, 2009.

Acknowledgment and date of receipt of this transmittal are requested. A duplicate letter and self-addressed, stamped envelope are attached for this purpose. If you have any questions regarding this filing, please contact me directly.

Sincerely,

Judy Lee
